## DIVIDER ICO BOUNTY CAMPAIGN

---

Total bounty allocated for this campaign will be 5% of the total Divider tokens sold.

Distribution of the awards will be initiated after the ending date of the bounty campaign. The total reserved tokens shall be distributed proportionally the amount of stakes.

Participants must create an account here <https://www.dividertoken.com/login>. All proof must be submitted in your Bounty Campaign account.

All bountys will be cancelled when the Divider ICO does not reach its soft-cap.

This bounty campaign ends on October 1, 2019.

Members	: 2 stakes per week
Full Members	: 3 stakes per week
Senior Members	: 4 stakes per week
Legendary/Hero	: 6 stakes per week

1 stakes extra for avatar and personal text.

### Terms and conditions:

- Only for Junior members and above.
- Make at least 15 posts each week during the week.
- Posts in alternate cryptocurrencies section are required.
- The posts should be spread for full week not for just 1-2 days otherwise your stakes will be 0 for the week.
- Posts in any bounty thread will not counted.
- Spam is strictly prohibited. Users found spamming will be immediately and permanently disqualified, reported to the moderators, and banned from any other bounty campaign.
- Posts in this thread will not count.
- No negative Trust.
- No multiple Signatures.
- Posts in following Discussion Boards will not be counted:  
Politics and Society, Off-topic, Archival, Auctions, Lending, Beginners and help.
- No Spam, Abuse or Insults.
- Submit your Bitcointalk account as proof in your Bounty Campaign account here: <https://www.dividertoken.com/login>

## TRANSLATION CAMPAIGN

---

We're also looking for foreign language translations to help us spread the word about Divider to other corners of the world.

We would especially love to hear from French, German, Russian, Spanish, Arabic, Hindi and Dutch writers - but if you are fluent in another language, let us know. High quality translations only!

### Rewards:

Translate the ICO website and earn	: 2500 stakes
Translate the Divider Whitepaper and earn	: 6000 stakes
Translate one of our videos subtitles and earn	: 1000 stakes

### Terms and conditions:

- Translations need to be proper in grammar and vocabulary.
- Translations must be original, no Google translate. If we will find that the text is translated with the help of automated translation tools, translator will be blacklisted, and no payments will be made.
- We do not need any Single Post Dead Thread. If you failed to keep the thread active and up to date, your reward can be reduced to 50% of the actual payment or you could simply be disqualified.
- If there will be a lot of mistakes in translation, translator will be blacklisted, and no payments will be made.
- Translator should create an ANN with the translation.
- Translators are expected to remain engaged in discussion about Divider in the thread specific to their language.
- Translations have to be done professionally.
- Submit your translation as proof in your Bounty Campaign account here: <https://www.dividertoken.com/login>

## ARTWORK CAMPAIGN

---

Divider ICO is well designed and gives artists a lot of options to incorporate it into other artworks. Divider project team will reward Experienced Designers and Artists who create content about Divider and/or the Divider ICO project Crowdsale.

### Rewards:

- High Quality : 1000 stakes
- Good Quality : 500 stakes
- Normal Quality : 200 stakes
- Low Quality : 0 stakes

### Terms and conditions:

- All artworks must be unique. Participants that will not produce one of a kind pieces of art, will be disqualified and not receive any tokens.
- All pieces of art are allowed (music, videos, pictures, objects, drawings etc.), however they do need to project a positive image about Divider.
- All the artworks will be checked and given ratings and payouts will be made accordingly.
- Any artwork that will project a negative image of Divider will result in disqualification of a participant.
- Any artwork produced can then be further shared and used as a marketing tool by Divider.
